Parish Council News

Over the past 12 months, Addingham Parish Council has been working hard, acting on your behalf to maintain and improve our village facilities and amenities, ensuring Addingham remains a wonderful place to live, work and visit. Whilst the role of a Parish Councillor is voluntary, all eleven of your elected councillors are fully committed to playing their part – from assessing planning matters to managing recreation areas, liaising with local and national bodies and organising key public events. Here's a roundup of key achievements, what we're currently working on and our vision for the future.

What a relief!

Recently, one of our proudest accomplishments is the reopening of an essential service for village residents and visitors alike - the village public toilet at Sugar Hill. After vandalism forced its closure over 20 months ago, it has been completely refurbished at a cost of £67k funded by The Parish Council. **Now fully accessible** and designed to withstand further vandalism, though let's hope that was a one off, the facility operates with a contactless card payment system, costing just 30p to use.

Maintenance issues across the village need to be handled quickly and efficiently. To that end, we have invested in additional equipment that will mean we'll keep Addingham looking its best.

Another major improvement was the re-roofing of the War Memorial/Bowling Club. Along with this, we installed beautiful new outdoor lighting, which gives the War Memorial the respect and prominence it deserves. We hope you'll agree that this has made a significant difference, adding to the dignity and grandeur of this important site.

Ongoing Resilience

We have recently been gifted a storage unit, which will play a key role in our **Addingham Emergency Resilience Plan**. Over the coming months, we will be

working to camouflage the unit so that it blends seamlessly with its surroundings. This space will allow us to store vital equipment, ensuring we are prepared to respond effectively in case of emergencies.

Maintenance remains a key priority for the Parish Council and we continue to assess and address any areas in need of attention. If you spot something that requires maintenance or repair, we encourage you to reach out to us as we welcome your input in keeping our village in great shape.

Future Plans

Looking ahead, we have an exciting vision for the area outside the Sugar Hill facility. We would love to develop this space into a community bandstand; it's a project that will require careful planning, grant applications and community support. Although a longer-term initiative, we believe it has the potential to create a fantastic focal point for village events and gatherings.

Please don't hesitate to get in touch with the Parish Council with any suggestions, concerns, or ideas for future projects. Why not volunteer your services too? **As always, we are committed to serving the people of Addingham** and ensuring that our village continues to thrive. Thank you for your continued support. We look forward to another productive year!

Lucy Steer, Clerk to Addingham Parish Council

Civic Society News

Hello all Gill Battarbee here, Chair of Addingham Civic Society.

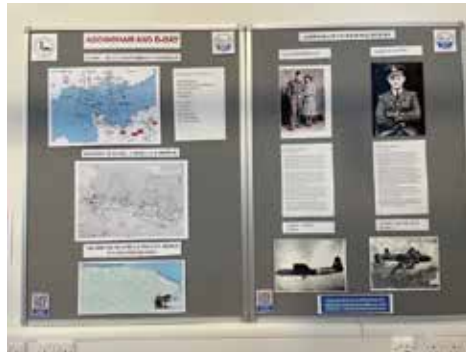

We are delighted to be involved again in the production of this Village Newsletter. We have 4 core themes to our activities:

Community. Planning, Heritage and Environment.

Each group manages projects for our village and we contribute to many aspects of village life, whatever the age group, whatever the activity. Our Environment Group has lots of projects and the Village Photo Archive, managed by our Heritage Group, is a mine of interest. The Planning Group works hard to keep us abreast of local issues, notably housing.

We number c.400 members. There are activities galore. It's not just University of the 3rd Age that will stimulate you! Our bespoke members' newsletter will keep you up to date with what's happening around the village and region, there are trips and social events too. Ask around, pop into The Hub or google us: Addingham Civic Society. See p 30 for contact details. We've a warm welcome for new members. Do get in touch!

As ever, 2024 was a busy year; here are some edited highlights.

We also enjoy social events: here is the annual Environmental Group get together and our summer trip to Shibden.

**2025 has much to come. Please sign up, join us and support your village.
At £11 it's a bargain! With best wishes, Gill**

Addingham Allotment and Gardens Association (AAGA)

Stewart Taylor writes: Spring is such an optimistic season; everywhere we look, nature is waking up and bursting into growth.

It's a wonderful time to get outdoors, with so much changing and flourishing. It's a real feast for the senses—the return of birdsong, the scent of spring flowers and even just watching the trees as they grow greener by the day, some producing beautiful blossoms in shades of white or pink. Spring is always the busiest time for gardeners and allotmenters, as they sow seeds indoors and out, trying to get ahead before the weeds start growing in earnest!

AAGA too has emerged from a short winter hibernation and is back in full swing! Our 2025 programme is already underway, and this year we have a fantastic range of events, including our Spring and Annual Shows, PumpkinFest, Plant Sale, monthly speaker meetings and a members' outing to visit a local garden.

Our summer highlight on June 21st and 22nd

The Addingham Open Gardens Weekend celebrating BD25 City of Culture.

Addingham Football Club

Established for over 100 years we're a successful FA Charter Standard community village football club, based at Addingham Pavilion on Stockinger Lane which we share with Addingham Scouts and Army Fit.

We've three adult teams: our first and second teams play in the Skipton

Body Repair Centre Craven League division 2 and 3 respectively. Our veteran's team (over 35's) plays in the West Riding County Veterans League / Bradford Division.

Kicking off the 2024/25 season we welcomed Matt Lumsden as our new first team manager. As a successful head coach of well performing teams throughout his career he's already begun putting this knowledge into practice. Our second team is currently recruiting to replace manager Chris Gray, stepping down for personal reasons, for the 2025/26 season so do get in touch if you're interested! Mark Carroll takes charge of our Veterans, for a second season. They play Sept- April in the winter league.

We are very grateful to our sponsors Bye the Bridge Gym in Silsden. The gym's been refurbished by its new owners, taking on a more modern design. **The Lord Addingham** has signed up too for a 5 year deal sponsoring our match day food and as our after match venue.

With regards to our pitch, we're indebted to Addingham Parish Council for their funding and help with major drainage works and Rob Walker from Bracken Ghyll Golf Club for all his efforts over the last year. A grant from the FA has also boosted our maintenance coffers!

As a club we are proud to get involved with many local activities. You will have been served by one of us behind the bar at Addingham Beer Festival or seen us defending the goal at the Gala penalty shootout! And 2025 sees us partnering Addingham Environment Group (AEG) to help support environmental challenges surrounding our pitch and pavilion.

We are a friendly group of lads and always welcome new players aged 16 and up. We try to do as many social activities outside of football as possible for team bonding. And we raise much needed funds for the club so if you're interested in joining us as a player, coming to our regular training sessions or want to get involved in any other way don't hesitate to get in touch. Contact details are in the back of this newsletter. <https://www.facebook.com/AddinghamFC/>

Addingham Civic Society Heritage Group

Chair of the Civic Society Heritage Group, Ian Cameron writes:

We have three Grade I listed buildings in the village – St Peter’s Church and two listings for Farfield Hall. We also have a Grade II* listed building, the Friend’s Quaker Meeting House.

These are amongst the 120 listed buildings in Addingham and their sheer variety may come as a surprise! Listings include houses, cottages, barns, bee-boles, farmhouses, a dovecote, tombs, a mausoleum, telephone kiosks, milestones, a mounting block, a wool-comber’s shop and public houses.

Some, but only some, of these have been photographed and are available to look at on the Addingham Photo Archive. Knowing that there are many gaps, the Heritage Group has set itself the task of ensuring that there is a far more comprehensive collection of available images of our listed buildings. Look out for displays about this later in the year!

Why not come on our “City of Culture” Heritage Walk in May? See centre pages for details.

While that is for the future, we can already enjoy some recent new additions to the Photo Archive – Gala programmes from 1977 onwards. The advertisements are a delight – in 1979, did anyone buy a sporting gun and cartridges from 71 Main St? Which butcher did you prefer to go to, that of T Smith at 97 Main St or J Dixon and Son at number 127? Who paid the 40p admission to go to the Addingham disco on the 14th July 1979, finishing at 10.30pm? The Gala programmes give a wonderful impression of village life through the years!

Who do you think you are? A great TV programme that encourages us to look back at our family history. Why not look into your own village’s history, indeed the history of your own home!?! The Addingham Photo Archive (<https://photoarchive.addingham>).

Library Storytime

SEASONAL TALES of our popular young bookworm gatherings.

Hayley and Becs host engaging Storytime sessions featuring seasonal tales, crafts, and singing. To welcome the New Year, children crafted their own wishing wands, and to celebrate the snowfall, they created beautiful snowflake pictures. And we've just enjoyed World Book Day too!

The fun continued afterwards upstairs, above the Library, at The Hub, for 'Tea and Toys'; **a wonderful opportunity for children to play and for parents to connect over a warm cup of tea. To offer help or get more info see p.30**

We are a small and friendly GP surgery, offering excellent patient-centred healthcare. We welcome new patients living within our catchment area.

Photo Exhibition

John Fontana Invites you to . . .

Share your Skills in a Photo Exhibition!

As part of Bradford City of Culture 2025, I am inviting all Addingham residents to send me their photographs that represent their involvement in crafts and 'culture'. These might be photographs that you are pleased with but could also be photos of paintings, knitwear, cakes, garden achievements,

outdoor pursuits or any other hobby of which you are proud.

Throughout November and December the photographs will be shown in continuous loop on the screen in the village Hub.

This will be an exhibition, not a competition and you can send in as many photos as you like. Start sending me your photographs (in JPEG file format), along with a few words of explanation for each image. Here is the email address for entries or any queries **sharewiththevillage@gmail.com** OR bring your photo(s) to The Hub

Your caption will be shown alongside the photograph. Feel free to add your name.

November might seem a long way away, but it gives time to collect images and even for people to work on a project with this in mind. My idea is to show in photographs the broad range of skills of Addingham people. Thank you.

Take photos of your hobbies or things you've made that please you. Send them to John so we can share the amazing range of skills and talents in Addingham. See the centre pages for what's planned!

St Peter's Addingham

News from St. Peter's

Have you ever wondered what churches get up to? Well, there is prayer; there are weddings, funerals, and baptisms; and there are the Sunday services week by week, and the children's events that Tamsin writes about elsewhere in this Newsletter, but there is also much else going on at St Peter's.

Silver Eco Church Award : we've now had our Bronze EcoChurch Award upgraded to Silver – not through any one massive leap forward but through the cumulative effect of **lots of small actions** to reduce our carbon footprint as a church – in the same way as we can all do individually. Each action seems so insignificant by itself, but taken together it all adds up!

ALPHA at The Fleece : a very hearty thanks to the Fleece for hosting our recent Alpha Course over 10 weeks. We shared the upstairs with Pilates, and downstairs with the well-fed patrons. Your cakes are lovely, and your staff so helpful. **Thanks.**

Holy Week and Easter : In April we'll be celebrating Holy Week and Easter – it's like a journey through life in miniature, thinking about God being with us in good times and bad with the symbolism of light in the darkness a common theme throughout, from the **Tenebrae** service when candles are almost extinguished to **Easter Eve Midnight Communion** when the light returns (if you've never experienced this occasion, don't miss this opportunity!), leading in to the new beginning which **Easter Day** offers to us all. Come and share in these unique days.

The WI are hosting a visit from a **Bradford Mosque** in April. The visitors want to look round St Peter's, so we are delighted to be able to help.

If you fancy a change from the current Rector, then **two guest preachers** are guaranteed to be an improvement this Summer. On the 18th May the Archdeacon, Andy Jolley will be with us, and 1st June, we welcome our Bishop, Toby. Both will cover the 8.30am and 10am services, and both have expressed a desire to see how we are doing after Covid.

Mark

St Peter's Addingham Children and Family Events

Children's Church

is for all school age children, during the **10am weekly Sunday Service**. Beth and Tamsin take the children to the church hall for their own church lesson whilst parents stay in the Church service. **The sessions focus on a different**

theme each week, some weeks we will focus on stories from the bible and other weeks we will focus on Christian values and traditions. **The children listen to the teaching** and then complete a craft/ some games related to the topic. We also sing songs and share prayer.

Messy Church continues to be popular with a story, craft, singing, games and a meal. **All welcome. 4pm at St Peter's Church Hall. Next Dates: May 18th, July 13th**

Easter

April 18th 10am: Family Good Friday with crafts, games, egg rolling and creating an Easter Garden.

April 20th 10am: Easter Sunday, a family friendly service that ends with an Easter Egg Hunt.

**SAVE THE DATE
JUNE 14TH 2025
St. Peter's
Family Fun Day**

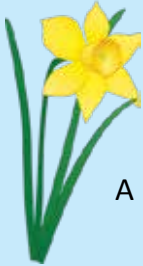

Family Fun Day

Addingham Methodist Church

Dear Friends, I want to say a big “Thank you” to all who joined us, from near and far, in worship over the Advent and Christmas season. It was lovely to recognise Christ being the Light of the World. We all need light in the darkness.

As we look toward Spring, I wish to highlight and welcome you to two services

Sunday 6th April at 10:30am

Guest speaker, Hilary Davies,
an Observer in The West Bank in 2024

A Palestinian-themed lunch will follow the service.

Good Friday, 18th April at 7pm

a musical Cantata called ‘Love Divine’.

We also look forward to seeing you at the Churches Together events
which are listed in their article

Until our church premises is sold we will continue to use it for worship and activities and let it to hall user groups and one-off celebrations like children’s birthday parties. Like our banner outside on the church railings says, “Our home may be going to change . . . but our presence in Addingham will continue.”

In the words of author, Paul Nixon,

“It’s a faith-filled future where we are guided by choosing ‘life over death,’ ‘community over isolation,’ ‘fun over drudgery,’ and ‘frontier over fortress.’ May we all be guided by hope and life-giving choices in the days ahead! “

Every blessing, ~ Rev. Shannon

Addingham Pre School

Hello from Addingham Pre School!

Who are we?

We are a long-established Pre School and in fact have been operating for over 60 years. During this time 100's and 1000's of children have come through our doors.

We are independently run by a committee of parents. We are a registered charity and very importantly we are OFSTED registered. Our last inspection in January 2020 was "Good" with Outstanding areas.

We employ a team of 5 fantastic members of staff, all trained in Early Years Childcare and Education, all are First Aid trained and between us we've many years of experience!

Where are we based?

We are housed in a lovely, bright, dedicated area in the Primary School. This gives us 3 playrooms and a partially covered and easily accessible free flow secure outdoor play area and the use of the large school playground.

During the summer of 2024 we revamped our outdoor play area creating fabulous different play and learning opportunities.... a mud kitchen, obstacle courses, mark making areas, sand pits, shaded relaxing areas, large physical play, planting and growing areas which incorporate our large apple tree, water play and much more-not forgetting an area for our resident lovable guinea pigs Stuart and Billy!

Whilst we operate independently from the Primary School, we have a strong relationship with them and a brilliant transition programme ensuring a smooth move to reception class when the time comes.

What do we offer?

Our ethos is "Learning through Play". We deliver the curriculum through a great range of activities and experiences carefully planned considering the children's ages, abilities, interests and fascinations.

**We open 5 days a week
8.00am-4.30pm term time only.** Throughout these hours of opening we offer a variety of hours/sessions lengths.

Children are able to commence with us anytime during the 2 years ahead of commencing school and we accept 2, 3 and 4 year old nursery funding.

Want to know more? We would love to hear from you!

Addingham Surgery
01943 830367

Here at Addingham Surgery, we carefully plan for each flu season to ensure that we can provide vaccinations for all our patients who need them. This includes purchasing influenza vaccines in advance.

Each year, we base our orders on anticipated demand using the most recent vaccine programme as a guide. This ensures we have sufficient supply for the next vaccination campaign as it can be difficult to top up orders once one has been placed.

However, when patients book appointments for their flu vaccination but do not attend or choose to have their vaccine somewhere other than Addingham Surgery, it creates a challenge. Vaccines that are ordered but unused represent both a financial cost to the surgery and where a patient fails to attend, a lost opportunity to protect someone from the flu. This waste also impacts our ability to efficiently allocate resources and meet the needs of our community.

How you can help

1. **Keeping Your Appointment** – If you've booked a flu vaccination, please make every effort to attend your appointment.
2. **Receiving Your Influenza Vaccination at the Surgery** – these have been purchased in advance and will go to waste if not used.
3. **Letting Us Know if You Can't Attend** – If you're unable to make your appointment, please contact us as soon as possible. This allows us to offer the slot to someone else.

Flu vaccines save lives and protect the most vulnerable in our community, including older adults, young children, and those with underlying health conditions. By working together, we can ensure that every dose of the vaccine serves its purpose.

Thank you for supporting Addingham Surgery in providing the best care for our patients.

Let's make the next flu season a healthy one for everyone.

Addingham Home Guard

Calling All WWII History Enthusiasts!

As we approach the 80th anniversary of the end of World War II, I am looking at setting up a Home Guard re-enactment group in Addingham. This would be an opportunity to honour and remember the brave men and women who served in our local Home Guard platoon during the war. If you are interested in recreating the spirit and camaraderie of the Home Guard, have a passion for history, enjoy reenactments, or simply want to be part of a community project, I'd love to hear from you.

Additionally, I'm keen to gather any information, stories, or memorabilia related to the original Addingham Home Guard. If you have any details or know someone who does, please get in touch.

Come together to celebrate our local history and keep the memory of the Home Guard alive!

Veterans Breakfast Club

Return to the Tribe

The Ilkley Armed Forces and Veterans Breakfast Club is always looking out for new comrades from the defence community.

The purpose of the club, established in 2023, is to facilitate veterans and serving Armed Forces personnel, from all 3 services, to meet face to face in a relaxed, safe, social environment to enjoy breakfast and banter, to combat loneliness and allow veterans to "return to the tribe".

There are over 500 clubs with 150,000 members in 15 countries. The club is free to attend and free to join. There are no fees, subs or commitments.

We don't exist to support any national charity, organisation or business: just turn up, pay for your breakfast and enjoy the company of other Armed Forces Veterans.

The Ilkley club meets on the last Saturday of the month in The Lister Arms (JD Wetherspoons) 10.00am-12.30pm.

Addingham Women's Institute

Addingham WI is part of the National Federation of Women's Institutes which is the largest voluntary women's organisation in the UK and is run for its members by its members.

- Addingham WI meetings, with fascinating talks and refreshments, are held on the second Tuesday of each month, 7.30pm at Mount Hermon. **Visitors are always welcome.**
- We also arrange many other interesting activities including trips, visits, weekly craft, chat and scrabble afternoons and a monthly Book Club.
- For **What's On and our contact details** please see the back of this newsletter.

Members and guests have recently enjoyed talks on Tan Hill Inn, Addingham Wools Spinners, White Knight Blood Bikes, Women in Astronomy, York Gate Garden, Cyber Security and a demonstration from Flagcrackers Morris Dancers.

Popular visits were made to Ilkley Playhouse, Nostell Priory and Bradford's Adam Masjid.

Crafting, chatting and scrabble at The Hub

The Dawoodi Bohra community of Bradford hosted members of Addingham WI for a memorable open day at the beautiful Adam Masjid. Members were warmly welcomed for a guided tour of the mosque, presentations, and refreshments.

Bradford District City of Culture

Following the popular visit to the Adam Masjid, in the year of the Bradford City of Culture, we are planning to welcome to Addingham a return visit from members of the Dawoodi Bohra community.

ZERO WASTE WEEK MAY 4TH TO MAY 10TH

During Zero Waste Week we invite everyone to think about:

-  minimising waste by reducing what we buy
-  repairing and re-using things
-  re-cycling as much as possible
-  *and especially* eliminating single-use plastic

Take a look at our helpful CAA website for information, tips and ideas on **reducing waste** by scanning the QR code

Please come and take part in our village activities

SUNDAY 4th MAY: VILLAGE JUMBLE TRAIL

A chance to sell your unwanted items to someone who'll love them AND raise funds for charity! Last year over £1,500 was raised across many charities.

Register a table using the AEG website

www.addinghamenvironmentgroup.org.uk

and follow the links or scan

the QR code on the Jumble Trail advert.

THURSDAY 8th MAY: POP-UP REFILL SHOP 10.30 am Mt Hermon

Buy locally sourced, eco-friendly washing up liquid, laundry liquid, shower gel, liquid soap, soap and shampoo bars.

Drop by for a coffee, and bring your empty bottles to refill

SAT 10th MAY: VILLAGE LITTER PICK & SPRING CLEAN 10 am Scout Pavilion

This is our annual spring clean working together in teams with our Scouts and Cubs to litter pick on our village green spaces. We end up at the Hub with refreshments courtesy of the Parish Council. All equipment provided. We ask everyone in the village to pick litter on the street either side of their front doors. **Contact aeg@addingham.info** if you want a litter picker.

And...let's keep it going all year!

Addingham Probus Club

Addingham Probus Club is still going strong 44 years after its inaugural meeting in the Memorial Hall on 31st Jan. 1980 when the annual subscription was set at £1, sadly this has had to increase over the years!! We still meet on the first Thursday of the month at 10.00am for coffee and biscuits and a chat to put the world to rights. The membership is made up of retired or semi-retired men from Addingham and the surrounding area.

For each meeting our Speaker Finder always invites speakers who educate, enlighten and amuse us on various subjects varying from "The Story of the Humble Milestone" to "Life in the N.H.S".

Of special note is our September meeting:

**"The Life of Dame Cecily Saunders,
the Founder of the Hospice Movement"
by Denise Adlard**

We are sure this will be of universal interest and the meeting will be open to all.

Come to Denise's talk and take the opportunity to interact with others who have had experience of the Hospice Movement.

Come along and be sure of a warm welcome from all our members.

Last year's club outing was a superb, guided tour of Markenfield Hall near Ripon, dating back to 1086 when it was mentioned in the Domesday Book.

And in December Skipton Golf Club hosted us with partners and friends and family for an excellent Christmas lunch.

For further information contact me, Steve Crossley-Smith. My details are in the back of this newsletter.

An Offcumden Recalls . . .

Addingham 1935

I arrived in Addingham, from Birmingham, to Ivydean, 3 Southfield Villas, at the age of four in 1940. My earliest memories are watching the searchlights and anti-aircraft shells exploding in the night sky over Birmingham and maybe Coventry in the distance, and father and uncle Jim digging a hole at the bottom of the garden to erect an air raid shelter. Shortly after that Uncle Jim disappeared into what I now know was the Royal Engineers and he was not to be seen again until the end of the war.

My older brother Anthony and I travelled up to Yorkshire seated on a settee in the back of a small furniture van while my mother and father followed on behind in a tiny Austin 7 car. In the pre

motorway days this was probably a 6hr trip and we duly arrived at Ivydean, 3 Southfield Villas where we lived for the next 2 or so years.

Father, as foreman electrician for the Rover Car Company, had been sent along with a team of electricians and engineers, to convert the velvet weaving shop at Low Mills, Addingham into an engineering shop and tool room to replace those in danger of being bombed in

the raids on Coventry. I believe carburettors for aircraft were produced and other parts vital to the war effort.

I presume our house was commandeered by the government and we had 2 or 3 electricians lodging with us, with my mother acting as housekeeper. After the war my father eventually started Pearce Bros. Electrical Contractors and got the work reinstalling the velvet weaving looms. We stayed in Addingham and have lived in the village to this day.

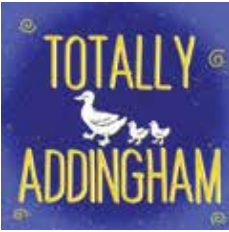

To the rear of Ivydean was the railway goods yard and engine shed, roughly where Southfield House is now. At the front I recall the open fields where I watched the local Home Guard on training exercises. On one occasion I remember them digging a small trench half way down the east side of the steps to the suspension bridge to set up a machine gun post to defend the bridge. The last time I looked the remains of the earthworks were still visible..

My uncle James Pearce, served with the 8th Army, making his way from Cairo all the way up through Italy and survived to join my father as a partner in Pearce Bros.

I know of only a handful of people today who would know I am an offcummden (my apologies if I have left any one out!): Beryl Falkingham nee Turnpenny, Margret Holmes nee Ashton, Raymond Fisher, Norman Mole.

Totally Addingham

TOTALLY ADDINGHAM champions the businesses and community groups of Addingham. Having powered our way through bad weather to host a successful village Christmas Market we're looking forward to supporting village events across 2025 with pro-active help and lively, informative social media!

AND for **BD25 City of Culture** we'll be leading our own **TOTALLY WALKED IT** village walk in September, with funds being raised for The Alzheimer's Society. Come and join us!

 @TotallyLocallyAddingham

Addingham Drama Group

We're convinced our keenly awaited 2025 production is as farcical as current day events!

KEY FOR TWO by successful 80's writers John Chapman and Dave Freeman is a delightful romp about a kept woman who's canny enough to be fully financially supported by two different men, and naturally, in true farcical style, neither man is aware of the other's existence!!

The ever stage present femme fatale Harriet is played by local versatile actor Lucy Steer who's fresh from a recent Channel 5 appearance in *Tales of the Riverbank*! The 7 strong cast have

professional experience too as does our director, ADG debutant Charlene Hodgson. The former Emmerdale actor was recruited for her positive directorial skills following her successful spell reviving The Addingham Pantomime Group.

Originally staged at The Vaudeville Theatre, London in 1982 with the likes of comedy legend Patrick Cargill in the cast, we are staying true to that era, so don't be surprised by the retro fashions nor fooled by the dated prices that suggest inflation has "fallen through the cellar"!

Rehearsals are going remarkably well and I'm laughing my proverbial farcical trousers off at some of the lines and crazy situations... and I'm in it!!!

Chris D'Arcy, Cast Member and Former Bollywood Actor (Both True)
